The Order includes a provision to enable the Council's Service Director for Development, Transport and Public Protection (or their duly authorised officer) to modify or suspend any of the provisions within the Order, whilst it remains in force in accordance with Section 10(2) of the Act.

The Order comes into operation on 4<sup>th</sup> January 2021 on an experimental basis and it will be in force until 19 February 2022.

Full details are contained in the Experimental Traffic Regulation Order which, together with a map showing the length of road affected and a statement of the Council's reasons for making the Experimental Traffic Regulation Order, may be examined online at <http://www.gateshead.gov.uk/trafficschemes> or a copy can be requested by contacting telephone number (0191) 4332169 (Ref: TS/0003825).

Any such objection must be in writing, stating the grounds on which it is made, and be sent to the Strategic Director of Corporate Services and Governance at the address above. Any person who wishes to question the validity of the Experimental Traffic Regulation Order or of any of its provisions on the grounds that it is not within the powers conferred by the Act or that any of the requirements of the Act or

of any relevant regulations made thereunder have not been complied with may, within 6 weeks from 23<sup>rd</sup> December 2020 when the Experimental Traffic Regulation Order was made, make an application for that purpose to the High Court.
