Dear Sir/Madam

### **TI 658 – Taylor Gardens – Parking Restrictions**

The council is proposing to introduce a limited parking bay on Taylor Gardens to alleviate all day parking and allow a turnover of vehicles for visitors in the area as shown on the attached plan TS-TI 658-001.

Following the informal and formal consultation, the Council will look to implement the restrictions in the next financial year. They would then be subject to enforcement in line with the Council's civil enforcement powers in the usual way.

Comments on the proposal can be made before **the 23<sup>rd</sup> December 2022** by:

- Emailing [sarahthompson@gateshead.gov.uk](mailto:sarahthompson@gateshead.gov.uk);
- Online – The Transport Consultations section of the Council website, [www.gateshead.gov.uk/consultation](http://www.gateshead.gov.uk/consultation) – a link for this is also on the front page of the website under Council & Democracy;

All comments are carefully considered and may be incorporated into the final scheme design.

Unfortunately, owing to limited resources, it is not possible to provide responses to individual enquiries.
