

## **Statement of Reasons**

### **Durham Road, Birtley, Gateshead**

The road humps are proposed as part of the improvements to the cycle infrastructure and footway improvements in Birtley, the council will be introducing a number of raised tables throughout Birtley to improve both the infrastructure and road safety.

The proposal supports the vision for Gateshead as set out in the Gateshead Health and Wellbeing Strategy and the Council's Corporate Plan and is funded by the Transforming Cities Fund Initiative. The proposals support the Corporate Priority for improving accessibility and achieving a shift towards sustainable forms of travel.
